Suspends Centennial and
Cruiser to Receive Body
on Arrival at New York.

the isthmus, where a Chilean warship will receive them.

It is announced that the German government will pay a national tribute to the late President, by providing a man-of-war with a full crew to receive the body across the Atlantic to New York, or to Colon, as the case might be. In this event, the American warship will probably act as a convoy.

The reception in honor of the Esperanto congress, now in session in Washington, which was to have been held at the Bureau of American Republics tonight, will be postponed as a mark of respect for the late president.

Dr. Montt was one of the warmest supporters of the movement for a closer commercial and social union between the republics of the two American continents.

Flags At Half Mast.

The Bureau of American Republics is in official mourning today, and its flag is at half mast.

The same is true of the Chilean location, where many visitors called to show their esteem for the late President.

The fact that President Montt's death was probably hastened by the shock he received when the attempt was made to assassinate Mayor Gaynor of New York, more than a week ago, has caused the people of this country to feel the suddenness of his death more keenly. President Montt was standing near the mayor when the two shots were fired by Gallagher.

It was known before he arrived in New York that the Chilean executive was suffering from acute heart disease. It was believed the trip to this country and to Europe would serve to improve his health.

CHILE IN MOURNING FOR DEAD PRESIDENT

SANTIAGO, Chile, Aug. 17.—Chile is in mourning today for her dead President, Pedro Montt, who passed away at Bremen, Germany, just before midnight.

The centennial celebration that has been in progress for several weeks, has been suspended.

The death of President Montt occasioned no great surprise. For months it was known that he was suffering from a malignant heart affection that was likely at any time to cause death.

For this reason the council of state and the cabinet have decided the President of as many of his duties as possible.

It is not believed that Montt's death will have any serious effect on political or business conditions.

A special meeting of congress was called today to pass resolutions of grief over the death of President Montt. The nation is in mourning.

Special services were held today in all churches, and every flag in the country is at half mast.

The tentative arrangements for the bringing back of the body include the dispatch of the nation's finest warship to Colon, where the body will be taken from Bremen. The Chilean fleet will probably escort the funeral ship.

Vice President Villalobos today held a conference with the president of the senate, Senator Escobar, and the president of the chamber, Senator Orrego, and with the members of the cabinet, in regard to the succession to the presidency.

A call for a council of state was issued. United States Minister Fletcher today formally presented his condolences to the government.

Bishop (Donoso), of Santiago, has sent notices to every church in the country directing that special prayers be said today and Sunday for the late President.

FLAGS HALF-MASTED FOR DEAD PRESIDENT

BREMEN, Aug. 17.—Germany will pay a national tribute to the memory of the late President Pedro Montt, of Chile, who died here last night of heart disease.

Arrangements are being made today for the return of the body to Chile. A German cruiser will be offered to bear the remains to Colon, where it can be transferred by rail and placed on a Chilean warship.

If Mme. Montt prefers to have the body carried on a liner so that she can accompany it a German warship will act as escort.

The widow received a personal message of condolence from the Kaiser today.

If any services are held here the Kaiser will probably attend. Though she knew her husband's hold on life was precarious, the widow's condition is precarious as the result of shock.

Await Word From Chile.

No word has yet been received from the Chilean government regarding the disposition to be made of the body of President Pedro Montt.

Death was so plainly due to heart failure, physicians say, that there will be no need of an autopsy. Examination shows, according to the physicians, that the dead executive had long been in a precarious condition.

The government has ordered the flags in Bremen half-masted, and that every possible courtesy and honor be shown Mrs. Montt and her attendants.

President Montt's death occurred at Hillman's Hotel as he was preparing for bed. His wife and valet were present. Physicians were summoned immediately, but they arrived after Montt was dead.

The doctors say that the attempt on the life of Mayor Gaynor aboard the Kaiser Wilhelm der Grosse, just before the vessel sailed from Hoboken, affected Montt's heart, and may have contributed to his death.

PRESIDENT CABLES FAMILY CONDOLENCE

BEVERLY, Mass., Aug. 17.—Immediately upon receipt of news of the death of President Montt Taft sent a message of sympathy to Madame Montt. The message follows:

"Mrs. Pedro Montt, London.

"We extend to you our heartfelt sympathy in your great sorrow, and we condole with Chile and the loss of her chief magistrate and her great statesman.

"WILLIAM H. TAFT."

POLICE CHIEF ON TRIAL

INTERNACIA TEATRO EN SESA KONGRESO

La Presentado De "As You Like It" Estas Por La Esperantistoj Nova Pruvo Ke Ilia Lingvo Tute Konvenas Por La Internacia Teatro.

SUKCESO DE LA HICKMAN PLAYERS.

La Esperantistoj jam havis en okazon pri la staj unuaj Kongresoj la perfektan taugecon de sia lingvo por la traduko de dramoj kaj komedioj, kaj la prezentado de "Ifigenio en Taurido" dum la Kongreso de Dresden lastis nenun dubon pri tio—oni efektive memoras la sukceson kiun tiam havis Reicher kaj lia kompanio.

Sed ĝis nun oni neniam estis ludinta verkon de Shakespeare, kredinde pro la malfacileco de la prezentado kaj la granda nombro de aktoroj kiuj estas necesaj. La honoro ludi en Esperanto unufoje verkon de la fama angla poetulo estis proponita al la "Hickman Players" kaj ili bonvolis akcepti ĝin malfacilan taskon. Malfacila! Oni pripensas la komedio "As-you-like-it" konsistas el kvin aktoj, kaj enhavas dudek du rolojn! La ludantoj de la lernejo Hickman antaŭ du monatoj nenion sciis pri Esperanto!

Dank al la ĉarta direkto de S-ro Reicher, la Hickman-istoj mirinde sukcesis kaj la Esperantistoj montris al ili, per siaj senfinaj aplaŭdoj kaj akklamadoj, la komedio "Ifigenio en Taurido". La traduko estas farita de D-ro I. V. Kellerman-Reed kaj ni sincere gratulas ilin.

shin pri la flueco kaj beleco de sia stilo, bedaŭrante ke la manko de spaco ne permesas al ni citi en tiu artikolo la plej rimarkindajn partojn. La tempo de la komedio estas tro konata, por ke ni parolu detale pri ĝi. Ni intencas nur doni kelkajn impresojn pri la prezentado, kiu okazis en libera aero. Unue la sceno. Vera arbaro! Efektive la loko elektita estis la blendo de la "Bristol School". Sur la herbo la aktoroj iris kaj reiris kaj la kanto de la griloj akompanis ilin. La sceno estis bone lumizata de potencaj lampoj antaŭ kiuj de tempo al tempo vitro ruĝa aŭ blua estis metata por produkti vere mirindajn efikojn. Oni povus facile imagi, ke oni estas en la felna arbaro kaj la impresoj estis grandiozaj.

Due la muzikistoj kaj aktoroj. Dolĉa muziko akompanis kelkajn korusojn kaj ludis dum la interaktoj. Pri la aktoroj ni parolas aliloke. Ni nur diras tie ĉi ke ili ludis rimarkinde kaj ke, dank al ilia penado la tuta afero estis tre grava sukceso por Esperanto.

Nun la propagandistoj de la lingvo kreita de D-ro L. Zamenhof povas esti certaj, ke "Internacia Teatro" estas ebla, kaj ili nur devas atendi la entrepreneman homon kiu volos konigi al la mondo la komedio "Ifigenio en Taurido" kaj la komedio "As-you-like-it" la universala literaturo.

We decided to use Parisian Sage and it proved a GRAND SUCCESS every way. Her hair stopped coming out, dandruff disappeared, soreness all left the scalp and her hair is coming in again very nicely."

The accident happened twenty-eight miles from here, near a town known as La Grange.

The accident was due to the clumsiness of a bear. The car was going at a high rate of speed when, while going down a steep grade, the car struck a bear.

The shock threw the animal into the air and he landed on the hood of the car, but a sudden turn displaced him.

PLAY IN ESPERANTO ARTISTIC SUCCESS

Excellent Performance of
"As You Like It" Given in
New Language.

Acquaintance with Esperanto was unnecessary for an appreciation of the artistic merits of the performance of "As You Like It," given in the proposed universal tongue by the Hickman Players, on the grounds of the Brill School last evening.

A turf-covered stage within the shadow of the trees, at the foot of a gentle slope, provided an ideal setting for the presentation of the Shakespeare pastoral. Even the moon lent her aid to give additional charm to the scene, and her beams filtered through the leafy background.

Even to one innocent of the least knowledge of Esperanto, the excellence of the reading of the players was apparent. Maurice Jarvis, as Jacques; Holland Hudson, as Touchstone, and Addison Smith, as Orlando, were especially pleasing and capable in giving the speech of the players, declared that their correctness of enunciation, accent, and expression was remarkable, considering the short period in which the players had prepared for the production, none of them being familiar with Esperanto when rehearsals were begun.

The singing of the forest songs by Charles Johnson, as Amiens, and members of the Musurgia Club, with incidental music by the Nordica Mandolin and Guitar Club were most pleasing features.

The play will be repeated tomorrow night and Friday night. This evening's performance having been postponed on account of the inclement weather.

Although the hold-up and robbery occurred shortly before 1 o'clock this morning, it was not until 3 o'clock that the unconscious man was discovered on the pavement. Policemen Deegan was detailed to the scene and when he arrived the victim had regained consciousness, but was extremely weak from the loss of blood. Cifroth was later removed to the Hahnemann Hospital.

A short time later Policemen Deegan arrested John Gallen, of 231 North Twelfth street, and Jenk O'Neil, of 212 North Clinton street. Both men made a complete denial of the holdup.

Cifroth recovered sufficiently to appear at the hearing before Magistrate Gallacher, and positively identified Gallen as one of the men who had attacked and robbed him.

When Cifroth was informed by the magistrate that he would be summoned to appear against the accused men in court, he begged to be excused because he did not care for any notoriety, and would be too busy at Washington.

Magistrate Gallacher sentenced Gallen and O'Neil to six months each at the house of correction.

Name Not Found.

The Treasury Department's records do not show the name of Jesse H. Cifroth, nor is there any such name in the Washington City directory or in the telephone directory.

QUAKER CITY THUGS ROB AND BEAT CLERK

Jesse H. Cifroth Found
Bleeding in Streets of
Philadelphia.

PHILADELPHIA, Pa., Aug. 17.—Gagged and beaten unconscious with a blackjack and then robbed of \$45, was the fate that befell Jesse H. Cifroth, said to be a clerk in the Treasury Department at Washington, when he was attacked by two highwaymen early this morning at Juniper and Filbert streets.

Cifroth is the fifth man that has fallen a victim to highwaymen within a week in the central section of the city. The attacks have caused the police department considerable annoyance, principally because of the fact that three of the robberies occurred on Filbert street, within a stone's throw of city hall. The other two were in the tenderloin, within two blocks of the Eleventh and Winter streets station. In each instance the highwaymen hailed from the "Tenderloin," and are said to bear criminal records.

Leaving his home, in Cynwyd, Pa., where he had been spending his vacation, Cifroth proceeded to Old Folgers Temple to attend a meeting. Following the session, late last night, he went to a restaurant in the Filbert street ward he headed for Broad street station, preparatory to returning to Washington.

Sent to Hospital.

Although the hold-up and robbery occurred shortly before 1 o'clock this morning, it was not until 3 o'clock that the unconscious man was discovered on the pavement. Policemen Deegan was detailed to the scene and when he arrived the victim had regained consciousness, but was extremely weak from the loss of blood.
